Financial Policy

As your physician, I am committed to providing you with the best possible medical care. In order to achieve this goal, I need your assistance and your understanding of my payment policy.

PAYMENT FOR SERVICE IS DUE AT THE TIME SERVICES ARE RENDERED.

My office accepts cash, personal check, Visa, MasterCard, and Visa Debit. Returned checks less than \$50.00 is subject to a service charge (per Florida statute 832.80) of \$25.00. Checks between \$50.00 and \$300.00 have a fee of \$30.00. For checks greater than \$300.00, the fee is \$40.00. You will also lose your privilege to write checks in my office.

CANCELLED APPOINTMENTS- Patients who do not cancel appointments may be discharged from the practice after three no-shows.

BLUE CROSS/BLUE SHIELD PPC COVERAGE- CO-PAYMENTS AND DEDUCTIBLES MUST BE PAID AT THE TIME OF SERVICE.

MEDICARE- Your deductible is due at the time of service. If you have already paid your deductible (please bring your EOB showing you have met your deductible), and if Medicare is your only coverage, we will charge you 20% of the Medicare allowable charges. Since I am a Medicare provider, I will file your Medicare claim. If you have a secondary insurance company of which I am a provider, I will file your claim with the secondary and bill you only for the remaining balance of allowable charges. If you have a secondary insurance, please check with our insurance billing department to see if I file with that company. If I do not know the allowable charge for a specific service, I will bill you after Medicare pays.

MEDICAID - There is a \$2.00 co-payment due for each visit, except for children and pregnant women.

FINANCIAL AGREEMENT- I and my office will gladly discuss your proposed treatment and do our best to answer any questions relating to your insurance. You must realize, however, that:

Your insurance is a contract between you, your employer if applicable, and the insurance company. I and my office are not part of that contract.

Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover (e.g. yearly physicals).

I must emphasize that as your medical care provider, my relationship and concern is with you and your health, not your insurance company. **ALL CHARGES ARE YOUR RESPONSIBILITY FROM THE DATE SERVICES ARE RENDERED.** On any balance on your account over 90 days, including those that insurance has not paid, collection action will be taken. I realize that emergencies do arise and may affect timely payment of your account. If such extreme cases do occur, please contact us promptly for assistance in the management of your account.

If it becomes necessary to collect any sum due through an attorney, then the patient agrees to pay all reasonable costs of collection, including attorney's fees, whether suit is filed or not.

If you have any questions about the above information or any uncertainty regarding insurance coverage, please do not hesitate to ask. We are here to help you.

I have read and understand the above Financial Policy.
